â€¢ A written Parenting Plan, worked out between parents, will help clarify the arrangements you need to put in place to care for your children. â€¢ It will help everyone involved to know what is expected of them and it will be a valuable reference as time passes and circumstances change. What does it consist of? What is not covered in a Parenting Plan? A Parenting Plan does not cover how you ...

Parenting Plan - Sorting Out Separation

Your parenting style can affect everything from how much your child weighs to how she feels about herself. It's important to ensure your parenting style is supporting healthy growth and development because the way you interact with your child and how you discipline her will influence her for the rest of her life.
